**THE MARANATHA FUND**  
2023-2024

# THANK YOU FOR YOUR SUPPORT.

During the 2022-2023 school year, our Maranatha community came together to support the Maranatha Fund, which impacts the next generation of Christian leaders by investing in a biblically-based learning environment. In doing so, we develop resilient Christian leaders bold enough to make a difference in our rapidly changing world. Because of your generosity, we completed several initiatives; below are just a few.

## NEW PLAYGROUND EQUIPMENT

“It’s great and it is good for all ages! The little kids have more to do.”

**Petra Theodorakakos**, MCA Student, Grade 6

“Amazing! It’s pretty, and I like the spinny thing.”

**Talia Theodorakakos**, MCA Student, Grade 3

## NEW CARPET

“My daughters LOVE MCA and every new addition to the building. For me, it means the staff cares so much about the presentation of the building and overall cleanliness. Thank you, MCA, for showing us that you put our children above anything else. Your care is appreciated!”

**Cristy Strelow**, MCA Mom/Volunteer & Supporter

## NEW FURNITURE IN THE MALL HALL, LEARNING LANE, AND CLASSROOMS

“It looks so cool; it makes me want to do my homework.”

**Brynn Campbell**, MCA Student, Grade 12

“I love to see the new modern aspect added to MCA.”

**Jaydon Dimitrov**, MCA Student, Grade 11

# THE OPPORTUNITY.

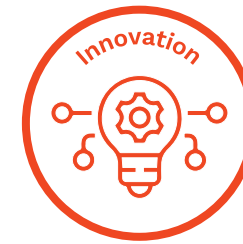

Annual giving to the Maranatha Fund drives the extraordinary education that Maranatha students receive. Yet to stay on top of the proverbial mountain and provide this extraordinary education, it takes extra! Extra technology, extra staff development, extra learning spaces, extra learning opportunities, and extra extras to go beyond the ordinary.

# THE GOAL.

**Our Maranatha Fund Goal for 2023-2024 is \$200,000.**

The Maranatha Fund is designed to have families participate by donating over the course of the year. When every family contributes, the school’s goal of providing an extraordinary experience for your child can be realized. This year, our goals fall into the following categories.

## GIVING TO THE MARANATHA FUND SUPPORTS THESE KEY INITIATIVES:

### Innovation/Program Investment

Program improvements such as STEAM, Schroeder Music Center, and more enhance the student experience.

### Tuition Assistance/Financial Aid

Making Christian education accessible to Christian families who have demonstrated need.

### MCA Endowments

Contributions to an MCA endowment help our school remain independent and ensure longevity, impacting future generations.

### Teacher and Staff Development

Offering opportunities for intellectual and spiritual growth through speakers, conferences, and webinars to our faculty, who are lifelong learners.

## HOW TO GIVE:

1. **Online:** [MCAmustangs.org/give](https://MCAmustangs.org/give)
2. **Check or Cash:** Make checks payable to Maranatha Christian Academy.
3. **Stocks, Bonds, Securities:** Contact Chris Barber for details.
4. **Legacy Gifts:** Planned giving allows a donor to make a significant gift during their lifetime or after passing away as part of the donor’s overall financial and estate plan. This often provides economic benefits to the donor and their estate.

Donations to Maranatha are tax-deductible to the extent of the law. MCA is a 501c3 nonprofit organization registered as a charitable organization with the State of Minnesota. MCA’s federal tax identification number is 41-1392954.
