

Senior Photo Guidelines

The following information regarding submission of senior portraits is very important for yearbook and for graduation, so please read it carefully. Photographs that do not meet the following specifications cannot be published in the 2024-25 yearbook or used for graduation.

Deadline FOR PORTRAITS

The deadline for submitting 2 senior portraits is **November 1, 2025**.

Portraits received after this date may not be published in the yearbook.

Deadline FOR GROWING UP, CANDIDS, AND SENIOR ADS

The hard deadline for submitting pictures is **January 22, 2026**, for senior tributes ads or graduation ceremony photos.

Follow directions below for senior portraits, growing up, and candid photos.

Purchasing a Senior Tribute ad for the yearbook is a separate process from the graduation growing up and candid photos.

Photo Submission Process

TO SUBMIT senior photos upload to the website <https://photos.jostens.com/Z6M9Q3>. We will no longer take hard copy photos or photos submitted via email or USB drive. Directions are below.

Please plan ahead. Pictures should be taken by early September to give your photographer time to prepare your photo for the yearbook. It is the parent's/student's responsibility to choose a photographer.

Photo Requirements for Yearbook and Graduation (We will share)

- ☐ Upload **TWO** full color senior portraits, **JPEG (.jpg) file of digital photos, one FORMAL, one INFORMAL**. Do **NOT** upload PNG or TIFF files. Very important! Do **NOT** send screenshots.
- ☐ Photo quality needs to be a minimum of **300 DPI** or higher for "actual size" of photo.
 - This is because a high-resolution photo is important for publishing purposes.
 - For formal photos, we will NOT accept horizontal photos. Vertical only.
 - For consistency, the yearbook requires a formal, forward-facing head and shoulders shot for the portrait section of the yearbook, the graduation printed program, and hall display.
 - For the formal portrait, no props or hands by the face in photos. No borders or special effects. Please be aware of lighting. We need to see the senior's face.
 - Simple, neutral backgrounds look best in the yearbook.
- ☐ The informal portrait is used for the Senior Wills page and the Graduation Video, and so more freedom can be used with choice of photo and background; however, for both formal and informal, please note the following:
 - No revealing clothing, short shorts or skirts, or cleavage or midriff tops
 - No facial piercings
 - Only neatly groomed facial hair on male students
 - No photographer name or logo
- ☐ See samples of formal vs. informal acceptable photos below.
- ☐ Upload **Two "Growing Up" photos** for the Class Video.
 - Often a baby or toddler picture and a middle school grade picture are appropriate.
 - These **do not** have to be school photos.
- ☐ Optionally, upload any group **CANDID** photos that you wish from past years that include as many students as you can find.
 - These are for the Graduation "Memories" video.
 - If a group shot, 75 percent of the people should be enrolled seniors.
