

2021-2022

Clubs, Activities, and Athletics

(Dates, times, and locations are subject to change)

Extra-Curricular Clubs and Activities

We are an influential school of collaborators, innovators, and explorers grounded in Christian faith, empowering co-creators of tomorrow. A well-rounded and balanced education includes opportunities to participate in extra-curricular clubs, activities, and athletics, which will aid students in becoming Spirit-driven leaders, Curious Explorers, Impactful Innovators, Courageous Changemakers, Gracious Community Builders, and Empathic Problem Solvers.

If there is not an advisor or coach for a club, activity, or sport, MCA reserves the right to cancel or discontinue that activity. A brief description of each offering follows.

National Honor Society

Advisor: Mrs. Henderson

Description: The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. NHS serves to honor those students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character. These characteristics have been associated with membership in the organization since its beginning in 1921.

Requirements: Students in grades 10-12 who participate in NHS must have a 3.5 GPA, complete an application, and demonstrate excellence in the areas of Scholarship, Leadership, Service, and Character. Students in the society must participate in two NHS community services activities with a minimum of four hours of service time.

Schedule: National Honor Society candidates will be informed of their status in October and inducted on the second Monday in November. The society will meet on a monthly basis to conduct meetings and schedule service projects.

Fees: The fee \$35.00 for annual dues. The member will also have the option to purchase an NHS shirt designed by the chapter leadership.

National Junior Honor Society

Advisor: Ward Bennet

Description: The National Junior Honor Society (NJHS) is the nation's premier organization established to recognize outstanding middle level students. The NJHS serves to honor those students who have demonstrated excellence in the areas of Scholarship, Service, Leadership, and Character. These characteristics have been associated with membership in the organization since its beginning in 1929.

Requirements: Students in grades 6-9 who participate in the NJHS must have a 3.5+ GPA, complete an application, and demonstrate excellence in the areas of Scholarship, Service, Leadership, and Character. Students in the society must also participate in two NJHS community service activities with a minimum of four hours of service time.

Schedule: National Junior Honor Society candidates will be informed of their status in December and inducted in January. The society will meet on a monthly basis to conduct meetings and schedule service projects.

Fees: The fee is \$30.00 for annual dues. Members will also have the option to purchase an NJHS shirt/sweater designed by the chapter leadership.

Upper School Spanish Club

Advisor: Mrs. Eller

Description: Upper School Spanish Club provides students interested in the Spanish language and cultures the opportunity to explore the language, further develop their Spanish skills, and broaden their understanding of Spanish speaking cultures. In Upper School Spanish Club, we will play games, explore with hands-on learning, and speak Spanish in an informal setting.

Requirements: Must be in upper school and have taken or are currently taking a Spanish class. 15-student maximum

Schedule: Weekly (see Mrs. Eller)

Fees: Pending on the number of students that sign up

Student Council – High School

Advisor: Ms. Flaaten

Description: The Maranatha Upper School Student Council is an elected body of students in grades 9-12 who seek to support the vision of MCA by positively impacting campus life and student culture. They accomplish this through effective servant leadership, constructive input on school policies, and planning and executing of school social events and service outreaches.

Requirements: Students who desire a position on the high school student council must complete an application within the published deadlines. All candidates will be subject to the recommendations of MCA upper school staff.

Furthermore, Student Council members must meet the following expectations:

- 1) Must exhibit a consistent Christian testimony.
- 2) Must have a GPA of 2.5 or above and no quarter grades failing.
- 3) Must show adherence to school regulations (minimal behavior violations, etc.).
- 4) Must be in regular attendance and active participation at a local church.

Schedule: The Student Council election takes place in the spring for the election of members who will serve in the following school year. A specific schedule for the application process and elections will be published in the spring.

Fees: Cost of Student Council – sweatshirt and activities fees - \$60 (normally, \$135 with retreat)

Student Council – Middle School

Advisor: Mrs. Franck

Description: The Middle School Student Council will consist of seventh and eighth grade council members. The group will meet together once each week during advisory period. Meetings will consist of prayer, leadership training, working the school store, and event planning. Council member duties will include serving in an office, setting up and selling for fundraisers, working at least 2 hours per week at the school store, organizing and participating in events and being a leader and example for other students.

Possible Activities:

Student appreciation, teacher appreciation, school store and selected school initiatives.

Requirements: Students who are interested in Middle School Student Council will need to fill out a self-evaluation form and have it signed by their parents. They must have a GPA of 3.2 or above and no quarter grade failing. Middle School teachers will submit recommendations for student council and students will vote on their grade's candidates. Important qualities for a student council member include a willingness to serve others, responsibility, organization, dependability, honesty, reliability, and a Christ-like attitude.

Schedule: A specific schedule for the application process will be published in the spring.

Fees: Cost of Student Council – sweatshirt and activities fees - \$60 (normally, \$135 with retreat)

MCA Gaming Club

Advisor: Mr. Harrison

Description: MCA Gaming Club is a place where students can come and enjoy their favorite games with their friends in an environment that is welcoming and relaxed. Students bring their own games/devices to enjoy, whether that be video games, board games, card games, etc.

Requirements: The only requirement for MCA Gaming Club is that you are in fact focused on playing a game while in the club. This is not a social club and is not a time to browse the web, search social media, or check text messages. The expectation for Middle School Gaming Club is that if you are in the club it is because you enjoy playing games, and therefore that is your sole focus for participating. Open to both middle school and high school.

Schedule: Wednesdays after school from 3:15-4:00

Fees: There is no fee for the club, however, games are not provided (you must bring your own games/device).

Ceramics Club

Advisor: Mrs. Nelson

Description: Ceramics club teaches hand building & wheel throwing techniques in clay. Students and staff have the freedom to create what they wish. Students and staff are expected to show self-discipline and care for their tools and for the art lab.

Requirements: None, open to staff and students grades 8-12

Schedule: Every Wednesday after school

Fees: Differentiate per finished project

Art Club

Advisor: Mrs. Nelson

Description: This is a student led group that gives students a chance to be hands-on with art activities. We create a variety of art projects based on student interests.

Requirements: None, open to grades 9-12

Schedule: Every other Tuesday from 3:30-4:30

Fees: None

Chess Club

Advisor: Mr. Yancy

Description: This is a club for those that are interested in the strategies and concepts of chess. Students will get together and test their chess skills against each other.

Requirements: Must be in good standing at MCA. Open to all grades 6-12.

Schedule: Mr. Yancy will reach out for dates and times

Fees: None

MS Book Club

Advisor: Mrs. Eibes and Mr. Oehler

Description: Book Club provides opportunities to students in grades 6-8 to grow in their love of books and connect with others with the same passion. The book club is dedicated to the love of reading at Maranatha Christian Academy and, therefore, may gain service hours by helping with events that promote literacy.

Requirements: Students in Middle School book Club must be in grades 6-8. Books will either need to be purchased or borrowed from the school or public library.

Schedule: Middle school will meet bi-weekly on Wednesdays after school.

Fees: No fees for middle school. Students may have to purchase their own books.

Thespian Club

Advisor: Ms. Dunavan

Description: The Thespian Club offers students an opportunity to explore theatre through performance of a theatrical production. Students may audition to play an on-stage role in the production, or participate off-stage by quickly moving set pieces for the various settings in the production. The Club will commence with a performance of the students' production where family and friends will be invited.

Requirements: Must be in 6th-12th grade - Due to the nature of rehearsals, attendance will be required.

Schedule: Play practice schedule and play times and dates will be released accordingly

Fee: \$80 participation fee.

Friday Fellowship

Advisor: Mrs. Thill and Mr. Agrimson

Description: Praise and Worship in Room 222

Requirements: Only for 7th and 8th graders

Schedule: Every Friday during lunch

Fee: None

Black History Student Committee

Advisor: Mr. Thomas & Mr. Oehler

Description: The Black History Student Committee (BHS Committee) is a group of students whose main focus will be to bring black history and black culture to MCA, and the planning and production of events during the month of February. This group is student oriented and will focus on bringing Black History Month to our school and making it alive at MCA.

Requirements: Students in grades 7-12 are encouraged to sign up. This group is open to students from every race and background. Students must be in good standing at MCA to join and must exhibit a Christ-like attitude daily to stay on the committee.

Schedule: Mondays after school in Room 240 from 3:15-4:00

Fees: There are no fees required to join this committee, with a possible future option for t-shirts.

Israeli Club

Advisor: Deb Campbell

Description: Israel Club is a laidback time for fellowship and conversation rooted in the importance of Israel. In this club, the members and advisor discuss current events taking place in Israel, as well as the reason we, as Christians, are called to serve Israel in prayer and support. When the opportunity arises, the members serve and attend various Israeli events to learn more about the culture of Israel.

Requirements: Open to students 9-12th grade.

Schedule: Meets on the weekends. Mrs. Campbell will be in contact about dates and times.

Fees: None

Culture Club

Advisor: TBD

Description: The Culture Club provides students the opportunity to explore the diverse cultures represented in our student body. The goal is to develop a stronger bond between MCA students and help them recognize the importance of empathy and perspective when faced with new ideas and opinions. Students enjoy a fun environment geared towards encouraging the appreciation of culture through monthly presentations about food, clothing, music, festivals, and holidays of different countries. Samples of traditional foods and drinks are provided.

Requirements: Membership is open to all MCA students. Members must participate in two presentations and attend a minimum of 75% of team meetings and monthly presentations.

Schedule: Executive Committee Meetings are held Tuesdays during advisory. Presentations are held monthly.

Fees: \$20

FIRST LEGO League

Grades 5-8

Advisor: Mr. Handrick

Description: FIRST LEGO League teams apply science, engineering, and math concepts, plus their imagination, to develop solutions to real-world challenges. They also design, build, and program LEGO MINDSTORMS-based robots to perform autonomous “missions” on a playing field. Along the way, they develop critical thinking, team-building, and presentation skills. In addition to the robot, teams are also required to prepare a research project and presentation. The season culminates in a day long competition against other teams where they will run their robot through a series of missions and present their research project in front of a panel of judges.

Requirements: Students in grades 5-8, with a teacher’s recommendation. This is a competitive robotics team that must complete a number of activities within the timeframe of the season. Students must be able to focus, participate with their team, and not be a distraction during the meeting times. It is NOT a club for simply playing LEGOS.

Schedule: The season runs from September 2020 through January 2021. We’ll typically meet two nights per week. Students and parents should weigh this time commitment along with other school and athletic responsibilities.

Fee: \$200 per student

FIRST Tech Challenge

Grades 9-12

Advisor: Mr. Handrick

Description: FIRST Tech Challenge teams design and build robots of their own creation; using aluminum structural elements, gears, dc motors, servo motors, and multiple types of sensors. They program an Android phone application using the Java language to drive and operate their robots. It all comes together into a finished robot, the size of an 18” cube, that plays a floor game in an alliance format on a 12 ft. square field. Through all of this, students develop STEM skills and practice engineering principles, while realizing the value of hard work, innovation, and sharing ideas. In addition to STEM skills, students are required to perform outreach and fundraising activities, build a financial sustainability plan, document activities, and market and promote the team.

Requirements: Students in grades 8-12, preference given to students in the Engineering Program.

Schedule: The build season runs September through March, and we typically meet two evenings and Saturday morning per week. Students and parents should weigh this time

commitment along with other school and athletic responsibilities. The off season runs April through August and we'll typically meet a few times per month.

Fee: \$300 per student

Fall Athletics

Cross Country (Co-ed)

Eligibility and Requirements:

Students in grades 5-12 may participate. All athletes must complete online registration; the link can be found on the MCA Athletics website under the "Mustangs HQ" tab. Active participants in this sport must maintain passing grades in all classes.
